Need More Help?

For a more detailed explanation of how to use MLA style, see the [MLA Handbook for Writers of Research Papers](#). This is the Modern Language Association's official citation guide. The manual is unfortunately not available online, but reference copies are available in all 16 [University of Maryland libraries](#).

You can also [contact a librarian](#) 24/7 for help finding a copy in a library near you or to ask a citation-related question.
